NM034 Boutros Bubba - National Anthems (cd)

Narrominded presents *National Anthems*, the first full album by the Dutch rock band Boutros Bubba.

During forty minutes a parade of country musicians-turned-religious maniacs and dominant clowns, of puzzled bar fighters and inexorable drunks, of melancholic weathermen and crypto sexist office workers passes by in the form of nine tightly played rock songs.

National Anthems is released in co-operation with My Own Music Industry Recordings and Whosbrain Records.

BOUTROS BUBBA

Boutros Bubba is a rock band, consisting of musicians that have formerly played in Gone Bald, Petrified Host, Quarles van Ufford, SGP and Crowd Surfers Must Die. Boutros Bubba's music is like a road with a sturdy asphalt surface, but with treacherously slippery patches. At points in their music the fundament of heavy drumming and tight guitar riffs gives way to swaggering drinking music and suspenseful improvisations. Not only in the lyrics, but also in the music itself, there is a deep sense of absurdism

NATIONAL ANTHEMS

National Anthems is the first full album of Boutros Bubba, after the cd EP *Hearing Voicst In A Beer Commercial Makes Me Wanna Get Drunk* and the 7" *How I Wrote The Star Spangled Banner*. The cd *National Anthems* was recorded in Sing-Sing studios in the North of the Netherlands and was later sublimely mastered by Jason Ward at Chicago Mastering Service.
